

Government of Jammu and Kashmir

OFFICE OF THE DEVELOPMENT COMMISSIONER (WORKS)

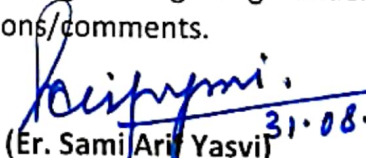

CIVIL SECRETARIAT JAMMU/SRINAGAR

C I R C U L A R

The Public Works (R&B) Department has felt the need to update the decades old J&K PWD Manual which shall be reckoned as the basis for all engineering practices for all activities. A comprehensive reference document will act as a standard guide for the day to day working of the department.

The draft "J&KPWD Engineering Manual 2020" has been framed keeping in view the present practices in the engineering field compounded with latest technologies and scientific tools available in the present days. The document will form an up to date standard reference book for planning, execution and completion of works. This will standardise and create uniformity in the working of engineers and help in bringing further transparency and accountability in the department. The manual has also been enriched with novel and latest techniques like GIS and quality assurance by introducing a three tier quality control mechanism in the department. The department also proposes to integrate its complete working system with a web portal JKPWDOMS, (J & K PWD online management system), which will further streamline the working and make it speedy and efficient thereby increasing the overall progress and achievements of the department.

The draft "J&KPWD Engineering Manual 2020" has been uploaded on the website of the department. The document can be viewed or downloaded from [http://jkpwrdb.nic.in/pdfs/JKPWD Engineering manual 2020 DRAFT %202.pdf](http://jkpwrdb.nic.in/pdfs/JKPWD_Engineering_manual_2020_DRAFT_2020.pdf). It is requested that the said document may kindly be perused and suggestions /comments if any be mailed to technicaladvisoryjkpwd@gmail.com by or before 15th of Sept 2020. The document may also be shared with all the engineering wings under the control of the respective departments for their suggestions/comments.
