Public Works(R&B) Department
Civil Secretariat Srinagar/Jammu

Subject: Renewal of Certificate of Registration-reg.

Govt. Order No: 97 -PW (R&B) of 2022
Dated: 15 -03-2022

Whereas, during review of Macadamization works on 06.03.2022 and 14.03.2022 sanctioned under different schemes during 2021-22 it has been noticed that macadamization works allotted to contractors have not been completed as per the timelines. Non-completion/delay in implementation of the projects sanctioned by the Govt. where funds have been released thereby non-utilization of the funds sanctioned for the public purpose amounts to blockage of the public investment which can be put to use for other public purposes. Non-completion of the project cause huge inconvenience to the general public.

To stop such practice in the department, while renewing the contractor's license as per the provisions of Registration of Contractors Act 1956 shall seek following information/documents from the concerned executing divisions:

- i) No. of works allotted to a particular contractor,
- ii) No. of works completed by him in time,
- iii) No. of works completed with delay by him; and
- iv) No. of works not completed by him.
- v) No. of works where delay has been taken but delay cannot be attributed to the contractor as certified by Executive Engineer along with reasons and justification.

Henceforth the Authority Competent to issue/renew shall take into consideration performance of the contractor based on above information while renewing the contractor licenses under Section 5 and 6 of Contractor Registration Act.
